[2] Metropolitan areas as defined in 1999. For more information see http://www.census.gov/population/www/estimates/pastmetro.html

Note: The year listing behind each metropolitan statistical area and geographic component tells when that entity was added to the MSA program as defined by The Office of Management and Budget. In the case of Bremer county, IA, the county was added to the metropolitan statistical area in 1983, removed in 1993, and added again in 2003.
