¹ State and national totals in this table are lower than the actual totals for these Federal programs. This information includes only the revenue received by public school systems and excludes monies received by nonpublic school system organizations such as state agencies and private entities. The value of school lunch commodities is also excluded.

² Includes amounts not shown separately

³ Revenue from other school systems are excluded to avoid double counting.

⁴ Due to varying content of individual state aid programs, this information should not be used to compare the fiscal commitments of the states to the objectives of the specific programs shown in this table
