**Note:** Housing unit change represents the April 1, 2000 to the July 1, 2008 time period. The April 1, 2000 Housing Unit Estimates Base reflects modifications to the Census 2000 housing units as documented in the Count Question Resolution program, updates from the Boundary and Annexation Survey, and geographic program revisions. Caution is urged in making year-to-year comparisons of housing unit estimates. When the Census Bureau releases new housing unit estimates for the current year, it also revises estimates for previous years in the decade.
