(X) Not applicable

<sup>1</sup> Domestic net migration is the number of in-migrants from other states minus out-migrants to other states. A positive net flow indicates more people moving into an area than moving out of the area.

<sup>2</sup> Total net migration is the number of in-migrants from other states *and abroad* minus out-migrants to other states. A positive net flow indicates more people moving into an area than moving out of the area.
