¹Includes amounts not shown separately.

Note: Revenue from and payments to other school systems are excluded to avoid double counting.

Expenditure for adult education, community services, and other nonelementary-secondary programs are also excluded. Some data appear under local sources for Hawaii's state-operated school system for consistency with data presented for all other school systems.

Data pertains to school system fiscal years that ended June 30th, except for the following: Alabama September 30th; Nebraska and Texas August 31st.
