(D) Withheld to avoid disclosing data for individual companies; data are included in higher level totals

(S) Estimates are suppressed when publication standards are not met, such as, the firm count is less than 3, or the relative standard error of the sales and receipts is 50 percent or more.

(b) 20 to 99 employees

¹ All firms data include both firms with paid employees and firms with no paid employees.

Note: To maintain confidentiality, the Census Bureau suppresses data to protect the identity of any business or individual. The census results in this table contain nonsampling errors. Data users who create their own estimates using data from this table should cite the Census Bureau as the source of the original data only.
