¹Duplicative interschool transactions are excluded

²Includes payments to state and local governments, and interest on school system indebtedness

Note: This information represents financial data for public independent and dependent school systems. It includes state payments made on behalf of public school systems and excludes financial transactions of public nonschool entities. See Appendix B of "Public Education Finances" (<http://www.census.gov/govs/www/school07doc.html>) for a description of state-specific reporting anomalies. Cash and security holdings of dependent school systems are excluded as these holdings cannot be separated from the assets of their parent governments. Expenditure for adult education, community services, and other nonelementary-secondary programs are included under "Current spending" but are excluded from the per pupil data.
